

Workshop/Camp Scholarship

Fountain Hills Theater is dedicated to providing performing arts education to the children of our community. We believe that by participating in theater, children learn important lessons about discipline, team work, commitment, responsibility, creativity & communication. In this spirit, FHT also feels that it is important to provide a needs-based scholarship to at least one applicant per workshop session.

Please fill this form out completely and return to our office. You will be contacted as soon as a decision is made if you are selected. Thank you for your interest in Fountain Hills Theater's educational programs.
